# The Words of Jesus

BY PASTOR ROBERT SCALES

Did you know that Jesus never taught you to follow anything but Him? People everywhere are trying to figure out how to follow Jesus with their own philosophy, theory or human thinking, but what they're really trying to do is decide how they want to follow Jesus.

The only way to truly follow Jesus is to simply learn what He taught, said and did. When you don't know what He taught, said and did, all you can do is think. And remember, you don't get to think or figure anything out anymore – it just won't work. He can't empower thinking; *He only empowers what He said.*

## **John 6:63**

**...the words that I speak unto you, they are spirit, and they are life.**

*Jesus' Words* are the foundation the rest of the Bible is to be built upon. You can't build on what *you think*. You can only build on what *He taught*. The only way you will grow is when you read the whole Bible with a foundation of what Jesus taught to rightly divide it for you.

## **John 14:6**

**Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.**

*Jesus' teachings are the way, the truth and the life.* People have never looked at His teachings like this. This is why we have so many *thinkers* and not very many *doers* of what Jesus said to do.

## **John 12:44**

**Jesus cried and said, He that believeth on me, believeth not on me, but on him that sent me.**

When you believe in Jesus you really believe in the Father. Jesus never spoke anything unless the Father said it. Jesus never did anything unless He saw the Father do it. What other picture do you want of God? *Jesus is "IT"!*

Many preachers and Christians have made up their own doctrines. (Saints, I'm trying to help people here; I'm not trying to hurt anybody.) They are in their *thinking*, their *opinions* - *they are not in Jesus' Words and teachings*. I have heard people say, "Well, this is what I think... I disagree with you, Reverend Scales; I think you are wrong." I tell them, "You don't have to agree with me, *agree with Jesus!*"

In my everyday life I can always back up what I tell you with His Word. Many Christians don't walk like this; they can't quote Jesus whenever they share something with someone. Every time I minister to someone I take them right to the Scriptures and show them what Jesus says about their situation.

## **John 15:7**

**If ye abide in me, and my words abide in you...**

I read this for the first time when I got saved. I was delivered from crack, cocaine, heroin, drinking, robbing, stealing, lusting, lying and cheating. *I never quit, stopped, changed or tried to get my life together. I simply gave my life to Jesus and made Him my Lord. I gave Him permission to tell me what to do and what not to do. I lost control of my will. I gave up. I made a decisive dedication of my life to Him. I put an end to any controversy about Who I was going to serve.*

**Jesus' teachings are the way, the truth and the life. People have never looked at His teachings like this. This is why we have so many thinkers and not very many doers of what Jesus said to do.**

I know how I am going to live every day. I wake up every day with the same attitude, saying, "Lord me, Lord Jesus!" I don't decide if I am going to do this or do that. I no longer get to decide if I am going to treat you right. I already know how I am going to treat *you*, because I know how Jesus treats *me!* I don't get to decide if I am going to forgive you; you are already forgiven. I forgive you before you ever do me wrong. You are already loved before you need love.

I have been walking in this for so many years that it just comes naturally now. *His nature rules me.* For example, when you go to God for forgiveness, He doesn't have to go find forgiveness for you because He's already forgiven you on the cross! He doesn't have to search for love to love you with; *He is love* and He created me *in His image*. When you operate out of your human nature, you have to first *find* forgiveness and then *look* for love. This is not obeying Jesus because you have not already decided that you are going to forgive and love just like Him.

Many people separate their belief in Jesus from their belief in God. Jesus *never* did anything unless the Father did it. We should not do anything unless we see Jesus do it. Have you ever met someone who had been done wrong? They usually say, "God will get them for that!" They never say, "Jesus will get them..." Why? Because they know that Jesus would forgive. They have no record of Jesus ever paying anyone back for anything. If they ever took the person who did them wrong to Jesus, they would be forgiven, cleansed, restored, redeemed, healed and set free!

**LOVE CONFERENCE**

I would like to personally invite you to our Eleventh Annual Love Conference, October 5th, 6th & 7th 2015 at 10:30am and 7:00pm. The Lord has called me to teach His servants how to walk in the Love of God. So many people have hearts to serve the Lord, but have never been instructed on what really pleases the Father.

Not only have people not been taught the truth, but many people have been "trying" to be effective in their callings and will never succeed until they put Love in first place. Love never fails.

At this Conference I will be teaching you how to know God through Jesus, and how to keep His commandments - To love one another as He loved us. This is where we will find all the character and authority, love and power of God we will ever need to be victorious in every area of our lives!

I encourage anyone who has ever held a position of service in a ministry or has a desire to serve the Lord to attend this important conference.

I know that these meetings will change your life forever if you are willing to be an active doer of the Word as it is taught. Be ready to grow Spiritually! I look forward to seeing you there.

# The Words of Jesus

(Continued from inside)

*All Jesus can produce is one thing... the cross. He can't do anything else. Even in the midst of your worst test and trial, when Jesus shows up all He brings is what He did for you on the cross. When Jesus died on the cross He not only *forgave* you, He *loved* you. You would not believe how many times I hear people tell me that Jesus came to die for their sins, but they leave off the real reason. *Jesus came to take your sins away! Jesus came to show you the Father's love!* 🙏*
